

Community Program Manager (Prevention)

Full Time/Exempt (40hrs/wk)

Center for the Pacific Asian Family (CPAF) is a non-profit organization recognized nationally for its pioneering work in domestic violence (DV) and sexual assault (SA). CPAF's multi-lingual and multi-cultural services include a 24-hour hotline, short term and long term shelters, counseling, case management, and supportive services. CPAF also provides violence prevention programs, outreach, education and advocacy on the issues of family violence and violence against women, focusing on the Asian and Pacific Islander (API) community.

CPAF is a community based organization that draws from multiple disciplines to holistically serve individuals and families of many different sizes and cultural backgrounds. Staff work in environments where children are present and may be called upon to provide support as needed.

Summary Statement: The Community Program Manager (CPM) provides overall management & supervision of CPAF's Community Program (Prevention) including supervision of staff, developing and managing the budget, developing and implementing policies and procedures and coordinating/integrating the program with others in the organization. The CPM supports a prevention team to engage and organize API communities on the issues of domestic violence and sexual assault, along with other intersectional oppressions. Through intergenerational programs working with youth and adults, CPM will mobilize API communities to build capacity to address and prevent interpersonal violence.

Duties and Responsibilities:

- **Leadership:**
 - Externally in community: Build a team of stakeholders to engage API communities on violence prevention. Organize regular community meetings to facilitate discussions on preventing and addressing gender violence with other intersecting issues. Mobilize community members to take action to address violence in community. Regularly solicit feedback from community members and organizational partners via multiple communication channels.
 - Internally within CPAF: Lead team meetings and provide support and supervision to program staff. Ensure prevention activities are coordinated with other programs within the organization.
- **Education & Training:** Responsible for the development of prevention trainings for API communities in language; develop 40-hour violence prevention training for staff.
- **Program Administration:** Work with Community Program Director to provide necessary programmatic information by established deadlines. Ensure forms and files are up to date. Prepare grant reports, develop and manage program budget, develop and implement program policies and procedures. Participate in agency strategic planning and fund and resource development.
- **Travel requirements:** Driving is an essential job function for this position in order to attend meetings and outreach events. Therefore the employee must have valid driver's license and use own vehicle to perform duties. The employee must also be eligible for coverage under CPAF's auto insurance policy.
- **Teamwork:** Provide general support asked of all staff which may include: responding to emergencies, providing hotline or site coverage, providing translation, maintaining a functioning office. Participate in program and organizational development and fundraising, and attend staff and team meetings.

Qualifications: The qualified candidate must possess demonstrated knowledge, skill, abilities and experience in the following areas:

General
